GENERAL TERMS THAT APPLY TO THE WHOLE OF THE INSURANCE

The following terms apply to the whole of this **policy** except sections 5 and 6. In some instances there may be additional terms which are shown in the section to which they apply. Please ensure that **you** comply with these terms as, if they are not followed, **your** insurance claim may be invalid.

OUR RESPONSIBILITIES:

- Insure **you** in accordance with the terms and conditions in return for the premium that **you** pay;
- Pay claims that are covered as quickly and efficiently as possible;
- Refund **your** premium in full if, for any reason, **you** feel that the insurance is not right for **you**. To receive a full refund, **you** need to cancel this insurance within 14 days of insuring with **us** and not have made a claim. If **you** cancel after the first 14 days and have not made a claim, **we** will never charge **you** a fee for cancelling **your** insurance;
- **We** may cancel **your policy**, after giving you 14 days notice if the premium is not paid to **us** when due. **Your policy** will be cancelled from inception, or from the date **your** last instalment was due if **we** are cancelling **your policy** due to non-payment of the premium. If **you** have made a claim, no refund of premium will be given and any outstanding premium will be due to **us**.
- **We** may also cancel **your** insurance for a valid reason and only after giving **you** at least 30 days notice which will be sent by recorded post to the correspondence address shown in **your schedule**. If **you** want to cancel **your policy**, contact **your** insurance intermediary if **you** have one, or contact us directly. There is no charge for cancellation and **we** will return a pro-rata proportion of **your premium** unless **you** have made a claim during the current **period of insurance**;
- Write to **you** at least 21 days in advance of **your** renewal date with **our** offer to renew, or to give **you** plenty of time to make other arrangements, if **we** are unable to renew **your** insurance. The renewal offer will include the premium and any changes in the terms and conditions for the next period of cover which, unless **you** have advised **us** otherwise, will automatically proceed if **you** continue to pay **your** premium. Where **we** have agreed to collect premium automatically **we** will continue to do so unless **you** tell **us** differently. If **you** do not wish to renew **your** insurance please let **us** know before the renewal date of **your policy**.

GENERAL TERMS THAT APPLY TO THE WHOLE OF THE INSURANCE

(EXCEPT SECTIONS 5 AND 6 WHICH HAVE THEIR OWN TERMS AND CONDITIONS)

Please ensure that **you** prevent injury or accident and protect **your buildings** against loss or damage.

Please ensure **you** pay **your** premium within the agreed credit terms. If **you** pay by instalments, please ensure they are paid. GENERAL TERMS THAT APPLY TO THE WHOLE OF THE INSURANCE

(EXCEPT SECTIONS 5 AND 6 WHICH HAVE THEIR OWN TERMS AND CONDITIONS)

WHAT TO DO IN THE EVENT OF A CLAIM:

So that **we** can deal with **your** claim please ensure that **you** fulfil the obligations set out below. **We** will require **you** to prove that **your** loss has happened. Please give **us** all the co-operation **we** need to investigate **your** claim, including evidence of the value of the items involved in a claim as well as any other relevant information and documents **we** may reasonably require:

- If something has happened which may result in a claim, please tell **us** as soon as possible. If a crime has been committed, **you** must tell the police;
- Do not admit responsibility or make an offer of payment without talking to **us** first;
- If **you** have any correspondence regarding a claim send it to **us** as soon as **you** can;
- If **you** are being held responsible for causing an injury or damage to **buildings**, **we** may take over and deal with the defence or settlement of any claim in **your** name;
- In the event **we** start recovery proceedings in **your** name, **we** ask that **you** give **us** all the assistance **we** need to do this.

If **we** determine that any claim **you** make under this **policy** has been adversely impacted directly by **your** failure to comply with any of the claims conditions, **we** may refuse or withdraw from the claim or reduce the amount of any payment **we** make for the claim.

If **you** have **home** emergency or legal expenses cover please also refer to the claims conditions in those sections.

INFORMATION YOU HAVE GIVEN US:

The information **you** give to **us** is important and **we** use this in setting the terms and premium for this insurance. Occasionally **we** are deliberately or recklessly given false information. If this happens **we** will treat this insurance as if it never existed and decline all claims.

If **you** acted carelessly when giving **us** information, there are a number of things that could happen:

- If **we** provide insurance cover that **we** would not otherwise have offered, **we** will treat this as if it had never existed. If this happens, **we** will give **you** back **your** premium;

GENERAL TERMS THAT APPLY TO THE WHOLE OF THE INSURANCE

(EXCEPT SECTIONS 5 AND 6 WHICH HAVE THEIR OWN TERMS AND CONDITIONS)

- If **we** would have insured **you** on different terms, **we** will amend this insurance retrospectively and apply these amended terms to the claim;
- If **we** would have charged **you** more premium, **we** will proportionally reduce the amount of any claim payment.

If **we** do any of the above, **we** will write to **you** explaining why this is happening. If **you** disagree with what **we** are doing, please tell **us**. If **you** are still not satisfied, **you** may ask the financial ombudsman service to review **your** case without affecting **your** legal rights.

OTHER IMPORTANT NOTICES:

- This **policy** is governed by English law and any disputes will be dealt with in the courts of England or of the country within the **United Kingdom** in which **your** main residence is situated;
- When a claim is made, **we** will only ever pay up to the relevant **amount insured**;
- If a false claim is made, **we** may refuse to pay it or **we** may treat this insurance as if it never existed and **we** will keep the premium;;
- **We** will not pay for the preparation of any claims;
- If there is more than one person named on the **schedule** (known as joint insured), the total amount **we** will pay following a claim will not exceed the amount **we** would be liable to pay to any one of **you** (i.e each one of **you** cannot recover more than their individual loss).
- **You** and **we** are the only parties to this **policy**. Nothing in this **policy** is intended to give any person any right to enforce any term of this **policy** which that person would have had but for the Contracts (Rights of Third Parties) Act 1999.

When appropriate, the vacant **home excess** or **subsidence excess** or special **excess** will apply instead of the basic **excess**; these **excess(es)** are not waived on any covered loss.

SETTLING CLAIMS - HOW WE DEAL WITH YOUR CLAIM

Your policy schedule shows the sum insured for each **building**. The **amount insured** applies to each incident of loss and will be automatically restored to the full amount after **we** pay a loss provided **you** carry out **our** recommendations to prevent further loss or damage.

We will pay the cost of rebuilding or repairing the damaged **buildings** including the following and necessary fees and extra expense involved in rebuilding or repairing the **buildings**:

- Fees to architects, surveyors and consulting engineers;

Extended Replacement Cost

If **you** have had a **buildings** valuation carried out on **your buildings** within the last 5 years by a valuer, approved by **us** and the amount reflects this valuation, the **buildings** will be insured on an extended replacement basis.

- In the event of any alterations or renovations to **your buildings**, please notify **your intermediary** or **us** as soon as reasonably practicable;

- If **you** do not repair, replace or rebuild **your buildings** at the same location, **your** payment basis will be replacement cost;

SECTION 1 - BUILDINGS COVER

ADDITIONAL BUILDINGS COVER

The following covers will apply in **your policy** unless stated otherwise or unless an exclusion applies.

Trace and Access

If water, gas or oil escapes from **your home** heating, cooking or water system, we cover the cost of removing and replacing any part of **your home** necessary to repair **your home** heating, cooking or water system.

We will pay the costs incurred to find and access the point of escape of:

- A domestic heating fuel leak within **your home**, or a water leak from **your** permanent internal plumbing or heating system, which is likely to cause insured damage to **buildings** or **contents**;
- A water leak from the underground service pipes serving **your home** for which **you** are legally responsible outside your home but at the address shown in **your schedule**.

We do not cover loss or damage to the **home** heating, cooking or water system itself. The leak must happen during the **period of insurance**. The most **we** will pay is the amount insured for the **buildings**.

Water Detection Expense

We will reimburse **you** for the expense **you** incurred, up to £500, to install a water leak detection and control system following a covered water damage loss to **your home** within the **period of insurance**. This cover applies only if:

- The amount of the covered water damage loss is £10,000 or more prior to the application of the **excess**;
- The covered water damage loss is caused by a leak or break in a plumbing, heating or air conditioning system; and
- The installation of a water leak detection and control system was the first time such a system was installed in **your home**.

There is no **excess** for this cover.

SECTION 1 - BUILDINGS COVER

These payments do not increase the amount of cover for **your home**. Water leak detection and control system means a system in **your home** that monitors:

- Areas containing plumbing devices, appliances and other outlets for a water leak and if detected, closes the main water supply pipe; or
- Unusual water flow patterns or unexpected interior water overflow and if detected, closes the main water supply pipe.

Environmental Upgrades

If **we** have agreed **your** claim for physical loss or physical damage under this **policy** and as part of the agreed repair costs **you** decide to install solar panels or a wind turbine power generating system to **your home**, **we** will pay towards the cost of installing such a system.

We will only do this if:

- The heating system at **your home** is physically damaged and such damage is part of the loss or damage **we** have agreed to pay under this section;
- The covered loss **we** have agreed to pay is more than £10,000; and
- At the time of loss, there is no solar panels or wind turbine power generating system installed at **your home**.

The most **we** will pay in total during the **period of insurance** is £5,000 or 10% of the insured cost of repairs to the damaged **buildings**, whichever the lesser.

Fixtures and Fittings - New Acquisitions

We will pay up to £50,000 for loss or damage to newly acquired **fixtures and fittings** which **you** own that are to be installed in **your home**.

We will not pay for any loss or damage to items:

- Left in the open;
- Used for **building works** where the estimated value of the **building works** exceeds £100,000.

We will only do this if **you** tell **us** about the acquisition within 60 days and pay an additional premium.

SECTION 1 - BUILDINGS COVER

Construction Materials

We will cover up to £50,000 for works, materials and supplies owned by **you** on the grounds of **your buildings** for use in the construction, alteration or repair of **your home**.

These payments apply only to a covered loss and they do not increase the amount of cover for **your buildings**.

Temporary Removal

We will pay up to 10% of the **buildings** sum insured at **your home** for physical loss or physical damage to permanent fixtures which have been removed from the **buildings** for up to 60 days provided they are not insured elsewhere.

Fatal Injury

If **you** or a **family member** suffer physical injury as a result of either fire or violent intruders at a covered location shown in **your policy schedule** and those injuries prove fatal within 12 months of the incident first occurring, **we** will pay **you** or a **family member** £50,000 (or less if limited by law).

In respect to sections 1 and 2, 'Fatal injury', the most **we** will pay within the period of insurance is £100,000.

Emergency Access

We will pay up to £2,500 towards the cost of repairs following forcible access to **your home** due to a medical emergency or to mitigate physical loss or physical damage insured by **your policy**.

Energy Expenses

If **we** have agreed to pay **your** claim for physical loss or physical damage to the solar panels attached to **your home** or wind or geothermal power generating systems at the address shown in **your schedule**, **we** will also pay for **you** to purchase additional electrical power from a utility company for the duration of time necessary to repair or replace **your** solar panels or wind turbines.

SECTION 1 - BUILDINGS COVER

We will not pay if **you** do not begin to repair or replace **your** solar panels, wind or geothermal power generating system within 60 days from the date of the loss. The maximum amount **we** will pay is £10,000 in total for each **occurrence**.

Alternative Water Expenses

If a covered loss to **your** alternative water system makes it necessary for **you** to purchase replacement water for residential watering of the grounds of **your home**, **we** cover the increase in these water expenses for the amount of time required to repair or replace **your** alternative water system. However, **we** do not cover this increase if the covered loss is only to the alternative water system's sprinkler heads.

Alternative water system means a plumbing system and its components, including cisterns and holding tanks, permanently installed on the grounds of **your home** to supply or reuse non-potable, untreated or partially treated **home** waste water, ground water or rain water for residential watering of the grounds of **your home** in accordance with **your** local building regulations. An alternative water system does not include a water well.

Energy Income

If **we** have agreed to pay **your** claim for physical loss or physical damage to the solar panels attached to **your home** or wind or geothermal power generating system at the address shown in **your schedule**, **we** will also pay **you** for the loss of income which would have been payable to **you** from **your** energy supplier had such a loss not occurred.

The most **we** will pay in total for each incident of loss is £25,000.

We will not pay if **you** do not begin to repair or replace **your** solar panels, wind or geothermal power generating systems within 60 days from the date of the loss.

Emergency Power Cover

If following a covered loss caused by storm or flood **your home** is without power for a period in excess of 24 hours, **we** will reimburse **you** for the cost **you** incurred, up to £1,000, to hire a generator system.

Generator system means a generator that can supply backup electricity to maintain essential services for **your home** when there is a loss of electrical power.

SECTION 1 - BUILDINGS COVER

Essential Alterations

We will pay up to £100,000 towards the cost of and necessary alterations to **your home** to enable **you** to live there unassisted if **you** become permanently physically disabled as a result of a sudden and unforeseen accident during the **period of insurance**.

We will only do this if:

- **We** agree to the alterations and **our** contribution towards them before the alterations are carried out; and
- **You** allow a medical adviser chosen by **us** to examine **you** and to see all medical records, if **we** consider it necessary.

For the purposes of this additional cover;

- The definition of “**you**” does not include **domestic employees** who live in **your home**;
- Permanently physically disabled means:
 - that **you** have permanently lost all use of a complete arm, hand, foot, or leg;
 - or
 - that **you** are registered blind.

Fly Tipping

We will pay up to £50,000 in total during the **period of insurance** to cover the and necessary costs incurred by **you** in removing rubbish and waste material which has been deposited on **your** land at the address shown in **your schedule** without **your** permission.

SECTION 1 - BUILDINGS COVER

Gardens

We will pay to restore **your** garden only if it is damaged by:

- Fire;
- Lightning;
- Collision or impact by a vehicle or aircraft or by falling lampposts, telegraph poles or pylons; or
- Theft or vandalism.

We will not pay more than £2,500 to remove, replace any one tree, shrub, or plant. **We** will pay up to a total of 10% of the sum insured for **your home** at the location at which the loss occurs.

Land

Following a covered loss, **we** will pay up to 10% of the amount of the covered loss for any related stabilisation, excavation or replacement of land under or around the **buildings**.

Memorial Stones

We will pay up to £2,500 for loss or damage to a stone or plaque in the memorial of **your** parent spouse, partner or child, occurring in the **United Kingdom**.

Tenants Improvements

This cover only applies if **you** or a **family member** are a tenant or a leaseholder. **We** cover the **building** additions, alterations, fixtures, improvements, and installations which **you** own or are responsible for at **your property**. For a covered loss to these improvements, **we** will pay up to the amount shown in **your policy schedule** under **tenants' improvements**.

SECTION 1 - BUILDINGS COVER

BUILDINGS EXCLUSIONS

The following exclusions apply to the **buildings** section of this **policy** in addition to the general exclusions. The insurance will not pay for:

- **Building works;**
 - Loss or damage caused by or resulting from **building works** where the estimated value of the **building works** exceeds £100,000.
- Humidity;
 - Loss or damage caused by dryness or humidity, being exposed to light or extreme temperature, unless the loss or damage is caused by fire or by frost to water or water leaking from fixed water tanks, apparatus and pipes.

WHAT IS COVERED

All risks of physical loss to **your contents** anywhere in the world unless stated otherwise in **your policy** or an exclusion applies.

SETTLING CLAIMS - HOW WE DEAL WITH YOUR CLAIM

Your policy schedule shows the sum insured for **contents** at each **building**. To reduce the possibility of being underinsured, **you** should periodically review **your** sum insured for **contents** and request an increase if **you** feel the sum insured is insufficient.

We will decide whether to repair or replace the lost or damaged item or to make a cash settlement based on the replacement cost as follows:

- **Extended replacement cost:** If the replacement cost exceeds the sum insured shown in **your policy schedule**, **we** will pay up to 25% more than the sum insured if necessary, for the replacement cost.

Extended replacement cost is provided on the condition that **you** maintain at least the sum insured for **your contents** as previously agreed, including any adjustments by **us** based on appraisals, re-evaluations and annual adjustments for inflation.

- **Replacement cost:** The full cost to replace the **contents** without deduction for wear and tear or the amount required to repair the damage, whichever is less, up to the sum insured.

However, for **contents** which are obsolete or unusable for the purpose for which they were originally intended because of their age or condition, the payment basis will be actual cash value.

- **Actual cash value:** The cost to replace the **contents** less wear and tear or the amount required to repair the damage, whichever is less, up to the sum insured.

- Amount of **contents** cover;
- Payment basis.

Regardless of the number of policies providing **you** with **contents** coverage, payment will be made based only on this chosen location and will not be made under more than one **policy**.
